

Dr. Erwin Narvaez

Specialties

Cosmetic & Reconstructive Plastic Surgery

Dr. Erwin Narvaez, Board Certified in plastic surgery, has been practicing in the Matamoros area for over 13 years. Dr. Narvaez attended medical school at the UNAM in Mexico City and practiced general medicine in Mexico City for seven years. Subsequently, Dr. Narvaez completed his residency in general surgery at Hospital Hidalgo in Aguascalientes and sub-specialized in plastic and reconstructive surgery at the Instituto de Cirugia Reconstructiva de Jalisco in Guadalajara. He completed a 12 month apprenticeship in mega-liposuction techniques with nationally acclaimed plastic surgeon, Dr. Lazaro Cardenas Camarena. Dr. Narvaez is best known for his body contour remodeling procedure referred to as "The Mommy Tuck" which includes: breast augmentation or breast lift, tummy tuck and liposculpture. Dr. Narvaez regularly performs trans-axillary placement of breast implants, although other techniques are available, and he utilizes ultrasonic liposuction technology to ease fat extraction and to minimize bleeding and post-operative pain.
