

**Dr. Hector Montalvo**

Specialties

*Pediatrics, Pediatric Surgery, Pediatric Urology*

Dr. Montalvo is one of only two Board Certified pediatric urologists practicing in the state of Tamaulipas. He received his medical degree from Tec de Monterrey medical school, one of the top medical schools in Latin America. During his medical training he completed two medical school rotations in the United States. His first at Baylor College of Medicine in Houston and the second at Texas Children's Hospital under the tutelage of Dr. William Pokorny. He completed his residencies in pediatrics, pediatric surgery and a sub-specialization in pediatric urology at Centro Medico Nacional Siglo 21 in Mexico City. CMN Siglo 21 is recognized as having one of the best pediatric urology residency programs in Mexico. Dr. Montalvo has been in private practice for over eight years and sees a variety of pediatric patients, from clinical gastroenterology and common respiratory illnesses to intestinal malformations, undescended testicles and vesicourethral reflux. Dr. Montalvo is trained in the latest laparoscopic surgical techniques and has published several papers on the use of minimally invasive surgery in pediatrics. Dr. Montalvo is an active member of the Colegio Mexicano de Cirugia Pediatrica, Consejo Mexicano de Cirugia Pediatrica and the Sociedad Mexicana de Cirugia Pediatrica and maintains surgical privileges at Hospital San Jose in Monterrey. Additionally, Dr. Montalvo has been a professor of pediatrics and pediatric surgery at the UAT school of medicine over the last 5 years. Dr. Montalvo is certified in ACLS, Advanced Cardiac Life Support, and PALS, Pediatric Advanced Life Support and is on staff at the Centro Medico Internacional Emergency Department.
