

Dr. Jorge Diaz Moreno

Specialties

Pediatrics, Neonatology

Dr. Jorge Diaz Moreno has been practicing pediatrics and the sub-specialty of neonatology (care of sick newborns 0-30 days old) in Matamoros for 20 years. He is one of four Board Certified neonatologists in the area and he specializes in treating newborns with respiratory insufficiency, cardiopathies, infections, neurological disorders and/or intestinal problems. Dr. Diaz received his medical degree from the Universidad Autonoma de Nuevo Leon in Monterrey and completed his residency in pediatrics and sub-specialization in neonatology at Hospital San Jose Tec de Monterrey in Nuevo Leon. Dr. Diaz has extensive training and experience in the neo-natal intensive care field and is an expert in the hospital care of premature babies. Last year Dr. Diaz and his neo-natal intensive care team at CMI Hospital were highlighted by a local TV station on their extraordinary care of a 26 week old preemie that weighed 680 grams (1.5 lbs) at birth. He is the current president of the local Colegio de Pediatria de Tamaulipas and is an active member of the Asociacion Tamaulipeca de Neonatologia. Dr. Diaz is certified in PALS, Pediatric Advanced Life Support and is on staff at the Centro Medico Internacional Emergency Department.
