

Dr. Jose G. Urbina

Specialties

Cosmetic & Reconstructive Plastic Surgery

Dr. Jose G. Urbina is a Board Certified plastic surgeon that has been practicing Plastic and Reconstructive Surgery in Matamoros over the last 7 years. He is a graduate from the UAT School of Medicine in Matamoros and completed his residency in General Surgery at the Hospital Pumarejo. Dr. Urbina sub-specialized in plastic and reconstructive surgery at the Central de la Cruz Roja in Mexico City. Dr. Urbina has over 5 years of institutional experience working in the Reconstructive Surgical department of the IMSS. His primary areas of reconstruction include nasal, facial, breast reduction, and body contouring. He also performs facial aesthetic surgery in a wide range of areas, including rhinoplasty, facelifts, eyes, and brow lifts. His body contouring services include abdominoplasty, liposuction, breast augmentation, and breast lifts. Dr. Urbina regularly attends medical conferences that keep him up to date on the most innovative plastic surgery techniques and technology. He is an active member of the Asociacion Mexicana de Cirugia Plastica and of the Colegio de Cirujanos Plasticos del Noreste y Tamaulipas. In his spare time Dr. Urbina enjoys cycling and swimming.
