

Dr. Jose Martinez Mendoza

Specialties

Pulmonology

Dr. Martinez Mendoza is a Board Certified pulmonologist that has been serving patients with asthma, chronic infections and obstructive pulmonary disease in the Matamoros area for the last 20 years. Dr. Martinez attended medical school at UANL in Monterrey and completed his residency in pulmonology at the Instituto Nacional de Enfermedades Respiratorias in Mexico City. After practicing a year at the IMSS #25 in Monterrey, he moved to Matamoros and became the Chief of Emergency Medicine at the local IMSS. Today, he splits his time between seeing pulmonology patients at the IMSS and providing care for his private patients. Many patients visit Dr. Martinez to find the underlying cause of their chronic respiratory conditions and to get a tailored treatment plan that delivers results. He is up-to-date on the newest medications available for the treatment of asthma and pulmonary infections and performs outpatient lung function tests as well as bronchoscopies. Dr. Martinez is a member of the Sociedad Mexicana de Neumologia y Cirugia de Torax as well as the Asociacion Mexicana de Medicina Critica y Terapia Intensiva.
