

Dr. Maria Elena Aguilar Zamora

Specialties

Surgery, Gastrointestinal

Gastroenterology, Endoscopy, Colonoscopy

Dr. Maria Elena Aguilar, a board certified surgeon and gastroenterologist, has been serving patients with gastrointestinal disorders in the Matamoros area for over 10 years. She attended medical school and completed her surgical residency at the UAT School of Medicine/ Hospital Pumarejo in Matamoros and completed her sub-specialty in Gastroenterology and GI Endoscopy at the Hospital Manuel Gea Gonzalez in Mexico City, which is recognized as one of the top GI Centers in Latin America. Most of Dr. Aguilar's practice is focused on the diagnosis and treatment of gastrointestinal disorders such as: GI reflux, gastric ulcers, lower GI bleeding, intestinal inflammation, gastritis and colitis. She also treats disorders of the liver, pancreas, gallbladder and colon. Many of the endoscopic procedures available do not require surgery. Dr. Aguilar is an active member of the Asociacion Mexicana de Endoscopia Gastrointestinal.
